## AGENT ATTESTATION

Before you complete the process to submit a Quick Request, you must authorize the Quick Request call team to contact the client on your behalf for the purposes of collecting medical information, and transcribing the benefits, options and riders contained within this request onto an application for long term care insurance as well as provide your signature on the completed application.

It is very important that you review the statements below before providing your signature. By providing your signature you are attesting that you agree to the statements below.

By submitting this Quick Request and signing below, you attest to the following:

- I acknowledge that my client will be contacted on my behalf for the purpose of collecting medical history information.
- I understand that during my client’s interview for completing the application, the product features and benefits will not be discussed. The interviewer cannot bind coverage, sell, solicit, or negotiate on my behalf.
- I understand that questions relating to these functions will be referred back to me as the soliciting agent.
- I have discussed voice signature with the client.
- I have reviewed the features and benefits of the proposed coverage with my client(s) and those features and benefits are attached to this Quick Request for transfer to the completed application for insurance.
- I have discussed the effective date of coverage and the effect of the Conditional Insurance Agreement coverage, if applicable.
- I have provided copies of the outline of coverage, shoppers guide, health information authorization and other state required forms and disclosures to my client(s).

In addition to the authorizations referenced in the preceding paragraphs, signing below will constitute my legally binding signature on the completed application and on all supporting documentation for the client(s) referenced in the quick request associated with this attestation.

I hereby agree to the provisions in this attestation and affix my signature to the attestation and those documents referenced therein by signing below.
